

## WHAT'S ON AT ST JOHN'S

### SAVE THE DATE: SATURDAY 22 OCTOBER

It's been 8 years since St John's Church was last able to hold a Spring Fete and so we are very excited to announce that preparations have begun for a fabulous day, Saturday 22 October, to celebrate St John's 174<sup>th</sup> anniversary since consecration in 1848. Our theme is our heritage and the six dioceses that we have been part of. St John's sewing group members have spent many, many hours over the past three years producing cushion covers to represent these six dioceses. The cushions will be used in the sanctuary. They will be on display in the Church during the fete with members of our sewing group available to tell their story.

The Church Halls and lawns will be full of stalls selling delights - both to eat and enjoy. In addition there will be fun things to do – raffles and prizes and activities for children. The Church will be open for guided tours of the extraordinary history of this beautiful building. On the Sunday after our fete, 23 October, there will be a special Church Service and more celebrations. Bishop Ian will bless the hands and the work resulting from the cushion project. He will preside and preach at our services.

So save the dates for a special weekend of music, fun and food as well as gratitude for all that has gone before to create the wonderful community of St John's Church. We will give you updates over the following months.
