WE OFFER HOSPITALITY TO THOSE WHO WALK THE BIBBULMUN TRACK

Almost everyone who has walked sections of the Track, or completed it end-to-end, will have experienced the powerful effects of leaving the regular hustle and bustle of life behind, and going out into the unknown.

The Anglican churches in Kalamunda and Albany are now offering to meet people who walk on the Track, for a time of fellowship and sharing. You'll also be invited to ring the church bell, announcing your arrival or departure.

This is an opportunity to share what your journey has meant to you, or the hopes you have as you set out.

Scan the QR code to arrange to be met by our volunteers at the Track terminus in Kalamunda or Albany.
